STRONGER TOGETHER

Virginia's Statewide Conference for Philanthropy

May 6-8, 2024
Richmond, Virginia

ABOUT VFN'S ANNUAL CONFERENCE

In 2022, the Virginia Funders Network (VFN) held its inaugural conference in Williamsburg, VA with over 170 philanthropy executives, trustees, and staff members representing 91 organizations in attendance. The following year, more than 250 philanthropic leaders gathered in Roanoke, VA for the largest gathering of its kind.

Over the last two years, leaders have participated in two days of inspiring in-person learning, networking, and community-building opportunities where connections were made and meaningful relationships built to propel the positive work happening across the Commonwealth.

Each year, the Annual Conference Planning Committee, comprised of VFN Advisory Board members, members, and event sponsors, is responsible for planning and hosting this valuable and inspiring gathering.

SPONSORSHIP

We are excited to bring our network of funders together, but we can only do it with your support! Whether a sponsor or exhibitor, your organization has the unique opportunity to show its support for and involvement in Virginia's philanthropic community. Each sponsor and exhibitor receives complimentary event registration and dedicated promotion before, during, and after the conference.

We are pleased to offer a wide range of sponsorship and exhibitor packages, along with the associated benefits. We are also willing to get creative if you have ideas for ways you would like to support. **Please contact Angie@VAFunders.org for more information.**

It was inspiring to be in the presence of so many Virginians from all across the state to have the opportunity to share and learn as we work towards making the Commonwealth a better place for all. I am already looking forward to next year's conference!

Notably, this shall not prohibit education, communication, and collaboration among funders for areas of mutual interest. Members understand that the CEO, Advisory Board members, and other VFN leadership, in their roles as fiduciaries, shall make members aware of funding opportunities that support VFN's strategic objectives.

VFN may invite representatives of the grant-seeking community to join us as speakers, panelists, or guests at VFN events. We also ask these representatives to adhere strictly to our policy of non-solicitation.
